

## 2013 CAL25 Season Championship

### Series:

- There will be three Season Championships awarded at the end of the year. They are defined below:
- **Boston Memorial Trophy (Short Course Championship):** Highest cumulative score for all short course races including the BYC One Design Regatta in June and the August multi day/weekend regatta in August.
- **D.H.Williams Memorial Trophy (Long Course Season Championship):** Highest cumulative score for all Long Distance races.
- **Feldman Memorial Trophy (Overall Season Championship):** Highest cumulative score for all Short Course and Long Course combined. (Please note higher weighting for Long Distance series races outlined in the scoring section)

### Note:

- All DRYA races scored with exception of Windsor Overnight.

### Scoring:

- The scoring system used for both series will be a modified High-Point system whereby each boat receives one point for starting and one point for every boat it beats.
- Each race will be counted on an individual basis independent of any regatta finish.
- There will be no throw-outs and no minimum number of races to qualify for the series.
- For the Feldman Trophy (Cal 25 Season Overall) the long course (distance) races will be weighted more heavily by a factor of two (x2). Distance is defined by any race that is not windward/leeward.
- A boat that is not registered for the series but is allowed to compete in a given race will have its finish counted for scoring purposes. This may be the case for regattas with out of town boats or boats that compete in a single event. However, boats not registered with the class are ineligible for the season series.
- Ties for season scoring will be broken in the following order based on finish (not points):  
For the Distance and Overall Series: 1) BYC North Channel race; 2) BYC Long Distance  
For the Windward/Leeward Series : Most firsts, seconds, thirds in order until tie is broken
- Slow Saturday rule: In the event a planned day's racing is entirely abandoned, each boat in the starting area will receive one point for the day. In the event race committee chooses to run only one w/l race on a Saturday C-course, no additional points will be given for the second race that was planned but not conducted.

### 2013 Overall Standings (Final)

Sail #	Boat	Owner/Skipper	Total	Lead
USA 758	Never Alone	Paul / Ross Nuechterlein	251	--
USA 454	Obscured By Clouds	Stu Thompson	184	67
