Dave,

Good Afternoon! I hope things are going well with you. Our PHYC Cal 25 Fleet Nationals Committee has been meeting diligently and is very excited to be hosting all registered Cal 25's for the National event in a month! Here are some more details for the group down in Detroit:

Dockage:

- Dockage will be available to all competitors starting Saturday, July 26th and will be available through the regatta and beyond. There will be wells available to some competitors but most will be placed either in the small basin or along the most comfortable places of our wall.
- If you have ever stayed at PHYC you then know that it is one of the friendliest Clubs on the Great Lakes. The facilities (showers, bathrooms, water, power, etc...) are excellent and open to all Cal 25 National participants, friends and family.
- If you need to make special arrangements please contact me before the event.

Launch / Haul Out:

- There will be a licensed crane operator on site Wednesday and Thursday to launch boats in the water and Sunday to haul boats out.

Hotel Information:

- The Hampton Inn in Port Huron is the official hotel of the 2014 Cal 25 Nationals.

- We have a rate established for our competitors and families.

Schedule of Events:

- This document is attached to this email.

Sponsors:

- I'm proud to announce that the official sponsors of the 2014 Cal 25 Nationals at this point are: Red Stripe (Brad ought to love that!!), Smirnoff Ice, Earl Smith Distributing, Doyle Boston Sailmakers, Hampton Inn of Port Huron, Great Lakes Marine Outfitters, Mosher's Jewelers, Michigan Petroleum Technologies, Elite Events by Lisa... we are still waiting for response from a couple of other businesses.

Please feel free to contact me with any additional questions or any special assistance anyone needs to make the 2014 Cal Nationals an amazing experience.

Have a great Wednesday evening!
