**How Season pts are awarded:**

- Each boat receives one point for starting and one point for every boat it beats.
- Each Windward/Leeward (W/L) race is scored individually regardless of DRYA regatta finish.
  - Long Distance (PP) race scores are doubled.
  - There will be two throw outs of any two W/L races (not regattas) and one throw out for long distance races.
  - The BOD and Nationals are separate regattas and not included in Season scoring
  - 5 DRYA (W/L) regattas -10 individually scored races x 1
  - 6 DRYA (PP) regattas
  - 1 BYC North Channel (PP) - 7 individually scored races x 2

**Cal 25 - Short Course (C-Course) W/L Champion**

- The yacht with the highest number of points after throw-outs applied
  - o In case of tie(s) – Whichever yacht has the most firsts, and if still tied the most seconds, then thirds in order until tie is broken.

**Cal 25 Long Distance PP Champion**

- The yacht with the highest number of points after the throw-out is applied
- Boats are required to participate in either the Long Distance or the North Channel for eligibility. ...so you have to do either the Bayview Distance or the North Channel to qualify for the Distance Trophy (PP).
  - o In case of tie(s) – tie is broken in the following order based on finish (not points):
    - 1) BYC North Channel race;
    - 2) BYC Long Distance
    - 3) If tie still exists then break tie using similar W/L Series tie breaking logic.

**Overall Season Champion**

- The yacht with the most points after summing the total of the W/L and PP series with throw-outs applied will be declared the winner.
- There is no requirement for participation in either the Bayview Distance or the North Channel for the Overall Trophy.
- In case of ties – tie is broken using the PP series tie breaking logic.
